INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents  
Washington, DC 20231

Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached PTO 1449 form. This Information Disclosure Statement is being filed before the mailing date of any first office action on the merits, and is therefore submitted as both timely and proper.

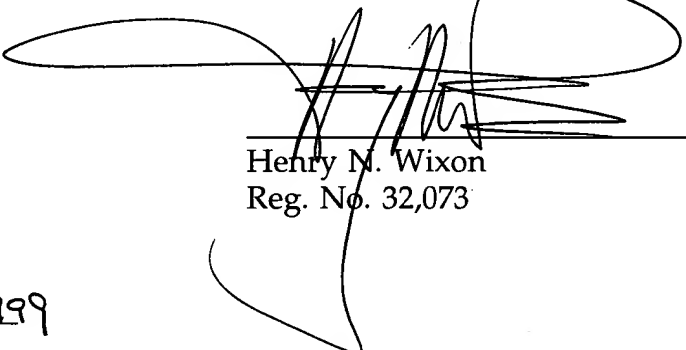

This submission does not constitute a representation that a search has been made or that no better art exists and does not constitute an admission or representation that the listed documents are material or constitute prior art. If it should be determined that the listed documents do not constitute prior art under the United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the documents.

107196.135

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should these documents be applied against the claims of the present application.

Copies of the documents listed on the attached PTO form 1499 are enclosed. It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO 1449 with the next Patent Office communication.

Respectfully Submitted,

A large, stylized handwritten signature in black ink, appearing to be 'H. M. Wixon', is written over a horizontal line. The signature is fluid and cursive, with a large loop at the end.
